

Metro Parks Music

Our music department offers recreational music opportunities for children, teens, adults and seniors. We emphasize an all-inclusive, relaxed approach to playing popular music. Our students are provided with technical instruction, a place to practice their craft, and plenty of performance spots on festivals, celebrations, and parks events throughout the Music City. Our students have gone on to play professionally around town and around the country; as well as appearing in TV, radio and multi-media. Email Samuel.Frazee@Nashville.Gov or call 615-862-8440 for registration info.
